** ProbioCleanse is formulated to provide 20 Billion live cultures per capsule at time of consumption, prior to expiration, under recommended storage conditions. Storage and handling conditions may affect the total amount of cultures delivered at consumption. Refrigeration is not necessary but recommended.

Daily Recommended Dosage: As a dietary supplement, take 2 capsules of ProbioCleanse™ per day with 8-12oz of water. Take for a maximum of two weeks (14 days), with a minimum of one week (7 days) between the two week cleansing cycle. Consider taking ProbioCleanse™ in combination with other RightWay Nutrition products.

Contains NO: added sugar, salt, colorings or preservatives. Free of animal products, dairy, soy, egg, fish, shell fish, tree nuts, peanuts, wheat.

Warning: Consult your physician before using this or any product if you are pregnant, nursing, trying to conceive, taking medication or have a medical condition.

Storage Instructions: Store in a cool dry place at or below 77°F

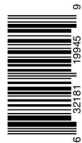

Expiration Date: 18 Months from the date of Manufacture
