

New Chapter's Guiding Principles

- To Deliver the Wisdom of Nature thus relieving suffering and promoting optimal health
- To advance the organic mission, nourishing body and soul with the healing intelligence of pure whole foods and herbal supplements
- To nurture and sustain Mother Earth, the source of natural healing
- To honor and reward personal growth, for enlightened teamwork depends on the vitality of every member of the New Chapter family

We devote 10% or more of our after-tax profits to the conservation of tropical rainforests and the sacred seeds that sustain all herbal traditions.
