

WARNING: Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed health care practitioner informed when using this product.

Directions: Use only as directed. Take 3 vegetarian capsules up to two times per day between meals with a glass of water or juice. Store in a cool, dry place.

Discussion: NitroCarn™ contains the advanced form of carnitine: GPLC (Glycine Propionyl-L-Carnitine). GPLC is a propionyl ester of carnitine that may be helpful in increasing NOx for vasodilation and is essential for mitochondrial fatty acid transport and energy production. GPLC supports cellular energy for muscle strength and endurance.
