NeuroCore™ is manufactured according to GMP standards, as is required for all Dietary Supplements.

This Is The Most Powerful Pre-Workout Ever. Guaranteed.

NeuroCore™ is a science-first, super-concentrated pre-workout stimulant designed with extremely potent, research-inspired doses for a superior workout. This intense formula is built to amplify your results at every level – extreme energy, enhanced muscular endurance, max strength and muscle growth, better focus and seriously powerful muscle pumps.*

Why You Should Use NeuroCore™

- NeuroCore™ is formulated with a research-tested dose of pure L-citrulline instead of L-arginine or L-arginine AKG for intense, long-lasting muscle pumps. L-citrulline has actually been shown in research to reach superior peak plasma arginine levels compared to a larger dose of L-arginine.*
- NeuroCore™ is the first and only pre-workout formula to contain *Geranium robertianum*, an exclusive, patent-pending and naturally sourced geranium extract.
- A highly potent creatine known as creatine HCl has been infused into the formula. Creatine is clinically validated to amplify gains in size and strength.*
- NeuroCore™ contains beta-alanine, a compound extensively studied for its connection to increasing muscle strength in human test subjects.*
- Unlike many pre-workout concentrates, NeuroCore™ contains clinically validated and scientifically tested ingredients that are fully disclosed so you know exactly what you're getting in every serving.

100% Money-Back Guarantee

If this is not the most powerful pre-workout formula you've ever tried, simply return the unused portion with your receipt within 30 days to place of purchase for a full refund.

OTHER INGREDIENTS: NATURAL AND ARTIFICIAL FLAVORS, MALIC ACID, SUCRALOSE, CITRIC ACID, ACESULFAME-POTASSIUM, FD&C BLUE NO. 1. PROCESSED IN A FACILITY THAT ALSO PROCESSES MILK, SOY, EGG, FISH, SHELLFISH, TREE NUTS, WHEAT, AND PEANUT INGREDIENTS.

Licensed under one or more of U.S. patent numbers 5,965,596, 6,426,361, and 7,504,376, each of which is owned by Natural Alternatives International, Inc. (NAI). NAI is also the owner of the registered trademark CarnoSyn®.

This product contains geranium and should not be used by those concerned with athletic testing such as required by WADA.

DIRECTIONS: Shake container thoroughly before use. Consume 30 to 45 minutes before activity. We strongly recommend assessing your tolerance by using 1 scoop mixed in 4 oz. of water, especially if you're sensitive to stimulants. Increase to 2 scoops mixed in 8 oz. of water. For full effects, increase to 3 scoops mixed in 12 oz. of water. Do not exceed 3 scoops in a 24-hour period. Drink 8 to 10 glasses of water daily for general good health. Read the entire label before use.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, or diagnosed with, or have a family history of any medical condition or if you are using any prescription or over-the-counter drug(s), including blood thinners. One serving of this product contains up to as much caffeine as 1 cup of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Do not take while fasting. Do not use for more than 6 months. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). KEEP OUT OF REACH OF CHILDREN.
