Made in the U.S.A. from domestic and
international ingredients.

New Potent Formula – Amazing Taste!

Introducing the 2nd generation NeuroCore® super-concentrated formula with new powerful ingredients and an incredible taste. NeuroCore® is a powerful pre-workout stimulant designed with extremely potent, clinically researched doses to amplify results at multiple levels, for a superior workout each and every time you use it. Whether you want extreme energy, enhanced muscular endurance, maximum strength and muscle growth or just more intense focus, NeuroCore® will give you the pre-workout boost you're looking for.*

Long-Lasting Muscle Pumps

- NeuroCore® is formulated with a research-tested dose of pure L-citrulline instead of L-arginine or L-arginine AKG for intense, long-lasting muscle pumps. L-citrulline has actually been shown in research to reach superior peak plasma arginine levels compared to a larger dose of L-arginine.*
- A potent yohimbe bark extract has been added to NeuroCore®. This extract supplies rauwolfosine and yohimbine, which are categorized as selective alpha-2 receptor antagonists. Human research indicates that blocking alpha-2 receptors may play a significant role in supporting blood flow.*

Extreme Energy and Intense Focus

- NeuroCore® contains a potent and effective dose of caffeine that has been shown to increase thermogenesis, energy and focus. A clinically studied dose of L-theanine was also added to enhance focus.*

Increase Muscle Size and Strength

- A highly potent creatine known as creatine HCl has been infused into the formula. Creatine is clinically validated to amplify gains in size and strength.*
- NeuroCore® contains beta-alanine, a compound extensively studied for its connection to increasing muscle strength in human test subjects.*

CONCENTRATED SERIES

NEUROCORE®

Super-Concentrated
Pre-Workout Stimulant*

Energy • Focus • Muscle • Pump • Strength*

45 Super-Concentrated
Doses

WATERMELON

Net Wt. 0.41 lbs. (185g)

Dietary Supplement

**NEW
FLAVOR**

WARNING:

Do not exceed recommended dosage. For pre-exercise use to increase energy, improve focus & intensity and amplify muscle growth & pumps.*

POWERED BY CLINICALLY RESEARCHED DOSES

Supplement Facts

Serving Size: 1 Scoop (4.1g)
Servings Per Container: 45

	1 Scoop	3 Scoops
Amount Per	% Daily Value	% Daily Value
NeuroCore® Complex	3,312mg †	9,936mg †
Beta-alanine (as CarnoSyn®)	1,067mg †	3,200mg †

OTHER INGREDIENTS: NATURAL AND ARTIFICIAL FLAVORS, MALIC ACID, SILICON DIOXIDE, CALCIUM SILICATE, SUCRALOSE, CITRIC ACID, ACESULFAME-POTASSIUM, FD&C RED NO. 40. PROCESSED IN A FACILITY THAT PROCESSES MILK, EGG, WHEAT, SOY, PEANUT, TREE NUT, SHELLFISH AND FISH INGREDIENTS.

Licensed under one or more of U.S. patent numbers 5,965,596, 6,426,361, 7,504,376, and 8,067,381, each of which is owned by Natural Alternatives International, Inc. (NAI). NAI is also the owner of the registered trademark CarnoSyn®.

NeuroCore® is manufactured according to cGMP standards, as is required for all dietary supplements.

DIRECTIONS: Shake container thoroughly before use. Consume 30 to 45 minutes before activity. We strongly recommend assessing your tolerance by using 1 scoop mixed in 4 oz. of water, especially if you're sensitive to stimulants. Increase to 2 scoops mixed in 8 oz. of water. For full effects, increase to 3 scoops mixed in 12 oz. of water. Do not exceed 3 scoops in a 24-hour period. Drink 8 to 10 glasses of water daily for general good health. Read the entire label before use.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for, or diagnosed with, or have a family history of any medical condition or if you are using any prescription or over-the-counter drug(s), including blood thinners. One serving of this product contains up to as much caffeine as 1 cup of coffee. Caffeine sensitive individuals may experience the following symptoms, including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Do not combine with other sources of caffeine or stimulants. Do not take while fasting. Do not use for more than 6 months. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**
