01480 Rev.8-01 Please ♻️ this container.

Includes dropper for convenient dosing.

Vitamin D has long been known for its important role in regulating calcium and phosphorus levels, and in increasing mineralization in the bones.*

Nordic Naturals Vitamin D3 Vegan is a unique formula specifically developed for vegans and strict vegetarians, and is registered by the Vegan Society®.

Sourced from lichen, this plant-based liquid formula is in the natural form of vitamin D (cholecalciferol), and is a better-absorbed and utilized form of vitamin D to support bone, mood, and immune health, and to help regulate sleep rhythms.*
