

SoTru® OrganicGreens provides the **antioxidant equivalent of 5 servings of vegetables*****. Let's be honest, how many of us are eating enough veggies? Last we checked, chocolate bars and nachos don't count as vegetables. But it's not just that, **SoTru® OrganicGreens** also contains **probiotics** and **fiber** to help promote optimal **digestive health** and support healthy **immune function**. So if you didn't know, there's a lot of good stuff going on in this bottle.†

- Provides 4500 ORAC units – equivalent to antioxidant capacity of 5 servings of vegetables***
- Made with Certified Fair-Trade Spirulina and Chlorella
- Provides 100% DV of natural Vitamin C
- Provides 3 grams of fiber
- Naturally rich in antioxidants
- No added sugar, artificial ingredients or fillers
- Soy-free

***As measured by ORAC (Oxygen Radical Absorbance Capacity). ORAC is a USDA-developed method for measuring antioxidant potency.

SoTru® guarantees this product for purity, labeled freshness and potency. This product contains natural ingredients and clumping may occur. This does not affect the quality of the product, simply break up the clumps before use, silly.

†These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

TRUST: We tried stuffing 5 servings of vegetables in our mouths at one time but found the powder was a much more civilized way to stay healthy.
