Caution: For adults only. Consult physician if pregnant/nursing, taking medication (this product contains Alfalfa), or have a medical condition. Keep out of reach of children. When taken orally, chlorophyll may cause diarrhea or green discoloration of urine or feces.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Chlorophyll is green pigment naturally produced by plants and algae and gives them their characteristic green color. Chlorophyll is critical for photosynthesis, the process by which sunlight is converted into chemical energy. Chlorophyll can function as a free radical neutralizer, may help to support the body's detoxification processes and has been traditionally used as an internal deodorizer.* This water-soluble extract is in the form of sodium copper chlorophyllin.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 3 times daily.

Chlorophyll

GREEN SUPERFOOD

100 mg

With Alfalfa Powder

90 Veg Capsules

A Dietary Supplement
