

Suggested Usage: Take 1-2 capsules 3 times daily, preferably with food.

D-Flame™ is a blend of complementary herbs that may help to support a healthy response to normal physiological stress through its ability to support the proper activities of key mediators involved in this response. The maintenance of a natural balance of these mechanisms is known to support healthy joint and cardiovascular function. By supporting the maintenance of this natural balance, the botanical components in D-Flame™ may help to alleviate occasional minor aches and pains resulting from overexertion or typical daily stress.*
