

New Package
Same Formula!**What sets Arthx[®] apart?**

This breakthrough formula works in three powerful ways to deliver researched levels of ingredients that soothe & support joints, while promoting cartilage & connective tissue.* It's the most comprehensive formula available for anyone seeking advanced support for joint discomfort whether due to lifestyle or life stage stress, overwork, physical activity or stiffness.

How quickly can you expect to feel results?

While glucosamine and chondroitin build to their optimal levels over 4 to 8 weeks, turmeric and ginger have traditionally been used to support a normal inflammation response & may ease discomfort more quickly.*

3-Way Action Formula

Featured Ingredients	Recommended for:
Glucosamine, Chondroitin, MSM	Support for cartilage, connective tissue, joint health and fluidity*
Vitamin C, Manganese, Molybdenum, Boron	Essential nutrient complex to promote healthy collagen and connective tissue formation*
Turmeric & Ginger	Support a normal inflammation response*
