Allergy Rescue is a naturally effective integrative health therapy formulated to deliver a powerful combination of clinically researched ingredients, balanced for complete care. Designed to:

- **Inhibit allergic response to indoor and outdoor triggers** with Quercetin, Vitamin C and Bromelain, to moderate the release of excess histamine following exposure to environmental irritants.*
- **Ease occasional allergy discomforts including runny nose, itchy eyes and skin irritations** with herbs traditionally targeted to support clear nasal passageways and normal mucous production.*
