

Eat to Live... ENGORGE to LIVE X-LARGE*

If you're not as big as you want to be, chances are you're not eating enough. To get big you need to EAT BIG! The most critical component of any mass-building program is to ensure that you are getting the optimal nutrition and caloric intake to induce muscle growth. No matter how hard you work out, you will never make maximum gains in muscle mass without the proper nutrition and caloric consumption. ‡

ENGORGE™ has been formulated by Xero Limits researchers with an advanced Force Feed Technology. Through a series of physiochemical signals, this breakthrough technology targets key biomarkers that regulate hunger, satiety, gastric expansion and digestion to allow you to consume more food and total calories. To activate an insatiable desire to eat and an appetite of massive proportions, ENGORGE increases the hunger hormone ghrelin with its exclusive Ghropeptide™. As you feed your new ravenous appetite, ENGORGE's MacroMore™ Gastric Expanding Complex relaxes the smooth gastric muscle tissue of the stomach, thereby increasing stomach volume, filling capacity and delaying fullness so you can pack in more food than ever before. To improve the digestion and enhance the nutritional uptake of these large meals, a Bioengineered Anabolic Optimizing Digestive Enzyme Complex has been specially designed for ENGORGE. This specially designed enzyme complex, Anabolzyme™, also speeds stomach emptying so that you are ready to devour your next meal and continue the force feeding required for massive growth! ‡

BREAKTHROUGH FORCE FEED TECHNOLOGY

ENGORGE™

APPETITE STIMULATING COMPLEX

- Increases Appetite Stimulating Hormone Ghrelin ‡
- Increases Speed of Digestion and Nutrient Absorption ‡
- Optimizes Anabolic and Ergogenic Value of Food ‡
- Increases Total Food Consumption ‡

THE ANTI-DIET PILL!

Directions: Take 4 capsules twice daily. For best results take before a morning meal and before your largest afternoon meal.

Supplement Facts

Serving Size: 4 Capsules

Servings Per Container: 56

	Amount Per Serving	% Daily Value
Vitamin A (as retinyl palmitate)	4000 IU	80%
Thiamine (as thiamin mononitrate)	12 mg	800%
Folate (as folic acid)	400 mcg	100%
Vitamin B12 (as cyanocobalamin)	33 mcg	5500%
Biotin	400 mcg	133%
Magnesium (as magnesium oxide)	50 mg	13%
Zinc (as zinc citrate)	10 mg	67%
Ghropeptide™: Appetite Stimulating Hormone Modulators:	1.75 g	†
<i>Prunus domestica</i> (fruit) and <i>Trigonella foenum-graecum</i> (seed)		
Anabolzyme™: Bioengineered Anabolic Optimizing Digestive Enzyme Complex:	415 mg	†
Protease 4.5, Amylase, Bromelain, Invertase, Protease 3.0, Peptidase, Protease 6.0 (conc.), Glucoamylase, Cellulase, Lactase, Lipase		
MacroMore™: Gastric Expanding	275 mg	†
Herbal Complex:		
<i>Zingiber officinale</i> (root), <i>Foeniculum vulgare</i> (seed), <i>Glycyrrhiza glabra</i> (root)		

† Daily value not established.

Other Ingredients: Gelatin, microcrystalline cellulose, magnesium stearate, silica, Blue 1, Red 40, titanium dioxide, and Yellow 5.

- Keep out of reach of children.
- Store at 15°-30° C (59°-86° F).
- Protect from heat, light and moisture.
- Do not purchase if seal is broken.
