Individual results may vary.

WARNING: For use by healthy adult males only. NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified healthcare professional before using this product, including, but not limited to, if you have or have a family history of prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug or over-the-counter drug. Do not exceed recommended serving. Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness and irritability. Discontinue use and call a physician or licensed qualified healthcare professional immediately if you experience rapid heartbeat, dizziness, blurred vision or other similar symptoms. To report any adverse event, call 1-800-332-1088. KEEP OUT OF REACH OF CHILDREN.

EXTRA STRENGTH NOVATEST™ is a revolutionary breakthrough in testosterone enhancement, made possible through the utilization of the newest generation anti-aromatase complex Tri-Methyl-Flavone™. This next generation anti-aromatase complex features powerful methylated bioactives for unparalleled efficacy. NOVATEST's advanced QuickTek™ delivery tablets improve absorption directly into the bloodstream for fast, powerful anti-aromatase action. NOVATEST's potent anti-aromatase bioactivity is designed to help enhance testosterone, reduce estrogen and boost muscle building.*
