Targeted Dairy Digestion Formula for Easing Discomfort with Soothing Botanicals*

Lacto-Zyme Dairy-Eze™ delivers fast-acting maximum relief from common discomforts that can accompany the consumption of dairy foods.*

Therapeutic Potency from a broad range of enzymes aid in the digestion of all components of dairy-milk sugar (lactose), milk-protein (casein) and milk fat.* 100% plant-source enzymes are effective in a wide pH range for optional digestion and activity.

Soothing Herbal Relief Blend to ease occasional digestive discomforts and help strengthen overall digestion.*

SUGGESTED USAGE: 1 capsule with or before meals may be sprinkled on food immediately prior to consumption. **STORAGE:** Store in a cool, dry, dark place. Do not refrigerate.

GUARANTEE: 100% Natural – Free of artificial colors, flavors, sweeteners, preservatives and other objectionable additives often found in vitamin products.

Contains no sugar, lactose/dairy, wheat, soy or yeast. *VeganGuard* screened for vegans to be free of animal products.

* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
