Enhance Athletic Performance
Bolster Immunity & Recovery
Suitable for Prenatal Use

Net Weight 14 oz. (401 grams)

Dietary Supplement

Digestive Enzymes  No Bloating

High-Protein, Low-Fat Shake with NO Soy, Lactose* or Added Sugar

Mixes instantly with your favorite beverage for a healthful and delicious way to add high-quality protein to your diet and energize your day.

20 Grams Whey Protein – an easy-to-digest, high-quality protein that is quickly and efficiently absorbed, providing a superior amino acid profile.

Enhances Athletic Performance – with branched chain amino acids for increased lean muscle mass and the safe, stimulant-free adaptogen, American ginseng, for stamina and performance.*

Boosts Immunity and Recovery – whey enhances glutathione production, supporting healthy immune function and muscle recovery after exercise.*

Supports Healthy Pregnancy – provides a safe and nutritious protein source appropriate during pregnancy.

Comprehensive Digestive Support – No bloating!

Broad-spectrum plant-source enzymes including bromelain and the digestive herbs ginger juice and citrus peel support daily digestive health and help break down protein for optimal assimilation and noticeable energy release with no stomach upset.

SUGGESTED USAGE: Any time of day, measure one scoop into a glass and add 8 oz. your favorite dairy or non-dairy milk beverage. Shake pouch well before each use. Mixes instantly in a shaker cup or use a blender. Avoid heating or mixing with acidic juice.
