Rev.F-01

Our classic Arctic Cod Liver Oil™ has always been derived from 100% wild Arctic cod—no other fish oils or synthetic additives are ever used. Unlike fermented oils, our cod liver oils are manufactured to eliminate free fatty acids and prevent rancidity. They support the heart, brain, and nervous system, and promote optimal immune system function.*

Wild caught. Pure. No fishy aftertaste.

Every batch of Nordic Naturals fish oils is tested by a third-party certified lab for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness. Certificates of Analysis available upon request.

Suggested Use: One teaspoon daily, with food, or as directed by your health care professional or pharmacist.

Do not take if tamper-evident seal is broken or missing
