BPA-Free Bottle

Please remove label to recycle bottle.

To open, press along perforation.

Features a unique, shelf-stable, vegan probiotic strain backed by 80 years of scientific research. Probiotics are "good bacteria" that naturally live in your digestive tract, and probiotic replenishment is important for digestive balance & overall wellness. Our clinically researched strain is active at lower amounts and the probiotic of choice in many clinical applications.* Fortified with prebiotics, plus soothing digestive herbs.

• **Promotes digestive, colon and immune health***

ProbioActive™ probiotics · Inulin ·
Larch arabinogalactin

• **Helps ease occasional constipation,
indigestion, gas & bloating***
