Same
Formula!

A gummy drop of vitamin D₃ sunshine –
in a natural tangy orange flavor kids love!
Vitamin D is essential to nearly every cell,
organ and system of the body, from the
bones, teeth and muscles to the immune
system, brain and heart.* Yet many children
don't get enough vitamin D from sunshine or
diet alone. As a result, the American Academy
of Pediatrics recommends that infants,
children and adolescents supplement with
400 IU of vitamin D daily.

- Protects immune system health*
- Promotes strong bones, teeth & muscles*
- No artificial colors, flavors, sweeteners
or preservatives

Sunny Gummies™ Vitamin D₃ 400 IU

For Ages 4 & Above

Pediatrician-recommended daily value

Promotes strong bones & immune health*

Easily absorbed vitamin D₃*
