Keep this product out of the reach of children. Keep in a cool
dry place, tightly closed.

WARNING: Folic acid alone is improper therapy in the
treatment of pernicious anemia and other megaloblastic
anemias where vitamin B12 is deficient. Folic acid in doses
above 0.1mg daily may obscure pernicious anemia, in that
hematologic remission can occur while neurologic
manifestations remain progressive.

CONTRAINDICATIONS: This product is contraindicated in
patients with known hypersensitivity to any of the ingredients.
