Please read entire label before use.

SUGGESTED USE: Mix thoroughly in 5 to 6 ounces of ice cold water and drink immediately after workout or strenuous activity. May also be taken anytime to promote recovery and help build strong muscles.† For optimal results, use in conjunction with a proper diet and always consult with a physician prior to beginning a training regimen.

WHEY HD™ IS AN ULTRA-PREMIUM MUSCLE BUILDING PROTEIN POWDER.

This protein formula features multiple quality whey proteins resulting in a nutritious and multi-functional protein supplement that ensures a superior bio-available protein source for athlete muscle. **WHEY HD™** includes a unique enzyme formulation to support the digestion of protein, and delivers 5 grams of branched chain amino acids per serving to counter muscle protein breakdown. As any athlete and active individual knows, high-quality protein is essential for building and maintaining lean muscle mass.†
