More Than A Multiple™ is an energy rich mega-potency multivitamin developed on the principle that concentrates derived from whole foods are really the best approach to proper nutrition in a supplement form. In addition to essential vitamins and minerals, More Than A Multiple™ supplies your body with naturally occurring nutrients from whole foods not found in many supplements. These energy-rich whole foods work synergistically with other nutrients to provide extra nutritional support in one convenient formula.

With More Than A Multiple™'s exclusive 8 hour timed-release formula, your body receives both immediate and extended nutritional support hour after hour!

This mega-potency multivitamin featuring energy-rich whole food concentrates contains:

- Over 50 vitamins, minerals, amino acids, phytonutrients and herbs that work together to promote overall good health*
- Omega-3 & Omega-6 lipids, essential for balanced health*
- Natural whole food vegetable concentrate, citrus and mushroom complexes
- All the nutritional completeness you need daily for optimum wellness*
