

NO FILLERS - NO MALTODEXTRIN - ZERO SUGAR

NO FILLERS - NO MALTODEXTRIN - ZERO SUGAR

DO NOT USE BUILD-HD™ without first consulting your physician.

BUILD-HD™ is a Smart-based, Creatine enhanced powder formula aimed at increasing anabolic activity.¹ This strong, concentrated formula utilizes NMDA-receptor activator, Aspartic Acid, in the L-isomer form (which is the only form directly incorporated as a proteinogenic building block of protein) ... L-Carnitine (as the bio-active Acetyl form which is reported to cross the blood-barrier) and Ubiquinol (the energy carrier antioxidant form of CoQ10), as a direct means of promoting cellular activity, metabolism, and transport ... as well as both Glycerylphosphorylcholine and Phosphatidylcholine, for delivery of Choline to the brain (to support up-regulation of Acetylcholine, the neurotransmitter acting in both the PNS and CNS).¹ BUILD-HD™ is the only BPI Sports anabolic formula of this nature.¹ BUILD-HD™ is a must have if you are looking to promote a stronger, bigger, and better looking physique.¹

Suggested Use: Take one (1) serving (1 scoop) blended into 8oz of ice cold water, either before, during, or after workout, or as directed by a qualified healthcare practitioner. On non-training days, take one (1) serving (1 scoop) first thing in the morning, on an empty stomach, or as directed by a qualified healthcare practitioner.

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, you are pregnant, nursing or thinking about becoming pregnant. **KEEP THIS PRODUCT AND ALL SUPPLEMENTS OUT OF THE REACH OF CHILDREN.**

¹ When combined with a proper exercise and nutrition regimen. Statements based on early-stage independent 3rd party in vivo and/or in vitro model scientific research data findings for individual ingredients.
