

Vitamin D3 is produced by the body when it's exposed to sunlight. Since many of us wear sunscreen daily, we have to depend on our diet to get Vitamin D3, but it's nearly impossible to get enough from what we consume. That's why Country Life offers a broad range of Vitamin D3 products to support multiple functions in the body. Our new great-tasting cherry Vitamin D3 5,000 I.U. Liquid supports:

- Healthy bone structure***
- Immune health***
- Digestive health***

New clinical evidence suggests Vitamin D3 is important for overall health, including healthy bone structure and immune support.***
