Dietary Supplement

PERFORMIX

DRIVEN BY INNOVATION. DEFINED BY PERFORMANCE.

Every supplement **PERFORMIX** makes is driven by a common technology: best in class absorption, time released delivery and complete use of every single molecule...period. **TERRA** flake Suspension delivers the nutrients you need to dominate your goals. To out perform, out last and out do.

TERRA Coating ^(TM) is a micro layering technology that allows each dose to be released in PH activated stages. This creates precision delivery of our pure extracts at multiple calculated points when your body is most receptive. As your stomach acid dissolves each microlayer, perfectly timed nutrients are delivered, giving our extracts the ability to last longer and enhance your performance evenly and effectively.

SUGGESTED USE: As a dietary supplement, adults take 1 serving (1 scoop) each day. Best if taken on an empty stomach. Do not take within six hours of bedtime. This product should not be taken in combination with other products containing caffeine or other stimulants. **Please read the entire label before use.**

Supplement Facts

Serving Size: 1 scoop (8.3 g)
