

Fish oils from cold water fish contain Omega-3 fatty acids. Ultra Omegas contains Country Life's highest concentration of DHA with 500 mg, complemented with 200 mg of EPA, all in only two softgels. Omega-3s are known to support brain health and function as well as support nervous system function.*** Supportive but not conclusive research shows that consumption of EPA and DHA Omega-3 fatty acids may reduce the risk of coronary heart disease. See nutrition information for total fat content. As this product is derived from fish oil, it is third party tested for heavy metals and toxins, such as mercury and lead, to ensure purity and safety and contains no trans fatty acids.
