MegaFood cares about doing things the right way – we refuse to take shortcuts, and we never compromise on quality or the things that matter. Since 1973, we have been going out of our way to source fresh and local foods from trusted farmers. We then make our wholesome supplements using our one-of-a-kind process to deliver the most authentic nutrition – much more than vitamins alone.

FoodState Nutrients™ are made with fresh and local foods. Crafted with our Slo-Food Process™, they deliver the most authentic nourishment available, which we believe the body recognizes as 100% whole food.
