*Percent Daily Values (DV) are based on a 2,000 calorie diet.

**Daily Value (DV) not established.

Other Ingredients: Purified water, natural vegetable glycerine, natural flavors blend (pineapple, coconut), natural flavors, citric acid, phosphoric acid, xanthan gum, potassium benzoate, potassium sorbate (for freshness).

Allergen Info: contains no known allergens.
GLUTEN FREE.

Cal/Mag/Zinc is a complementary blend of premium forms of calcium, magnesium, and zinc that has been supercharged with ConcenTrace® to help ensure the highest assimilation and balance of these minerals in the body.† We've also included vitamin D to create a formula that provides complete nutrition to maintain bone, muscle, and connective tissue health.†

Suggested Use: SHAKE WELL. 1 to 2 tablespoons daily (1 capful=2 tablespoons), to top off or fully supplement your diet. As this is a highly concentrated product, we recommend starting with 1 tablespoon and increase as needed, ideally spread throughout the day. We also recommend taking this product mixed into or with a large glass of liquid for the best isotonic balance. Excess magnesium may cause a laxative effect. Rinse cap after use. **REFRIGERATE AFTER OPENING.**

Also contains over 72 naturally occurring ionic trace minerals found in seawater. ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
