*Percent Daily Value (DV) is based on a 2,000 calorie diet.

**Daily Value (DV) not established.

Other Ingredients: Purified water, natural vegetable glycerine, natural strawberry flavor, ionic trace minerals, citric acid, phosphoric acid, xanthan gum, potassium benzoate, potassium sorbate (for freshness).

Allergen Info: contains no known allergens. **GLUTEN FREE.**

r-M9Y14

Cal/Mag/Zinc is a complementary blend of premium forms of calcium, magnesium, and zinc that has been supercharged with ConcenTrace® to help support the assimilation and absorption of these minerals in the body.¹ We've also included vitamin D to create a formula that provides complete nutrition to maintain bone, muscle, and connective tissue health.¹

Suggested Use: SHAKE WELL. Take 1 to 2 tablespoons daily (one capful = 2 tablespoons), to top off or fully supplement your diet. As this is a highly concentrated product, we recommend starting with 1 tablespoon and increase as needed, ideally spread throughout the day. We also recommend taking this product mixed into or with a large glass of liquid for the best isotonic balance. Excess magnesium may cause a laxative effect. Rinse cap after use. **REFRIGERATE AFTER OPENING.**

Also contains over 72 naturally occurring ionic trace minerals from seawater. ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
