**Cal/Mag/Zinc** is a dietary supplement supercharged with Concentrace™ for better absorption.† Its complementary blend of premium forms of calcium, magnesium, and zinc help to ensure the highest assimilation and balance of these minerals in the body.† We've also included vitamin D to create a formula that provides complete nutrition to maintain bone, muscle, and connective tissue health.†

**Suggested Use: SHAKE WELL** Take 1 to 2 tablespoons daily to top off or fully supplement your diet. As this is a highly concentrated product, we recommend starting with 1 tablespoon and increase as needed, ideally spread throughout the day. We also recommend taking this product mixed into a large glass of your favorite beverage for the best isotonic balance. Excess magnesium may cause a laxative effect. **REFRIGERATE AFTER OPENING.**

Concentrace™ is a trade name for concentrated sea minerals from the Great Salt Lake.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
