

Suggested Usage: Mix 1 level teaspoon daily into water or your favorite beverage.

Maca (*Lepidium meyenii*) is grown at high elevations in the Andes region of central Peru. It has been traditionally used for centuries as a food source and as a general energy tonic. More recent scientific data suggest that "gelatinized" Maca may help to support healthy sexual activity and fertility for men. Clinical data indicate that Maca does not exert a direct effect on endocrine function.*

Bloomington, IL 60108, USA nowfoods.com

Certified Organic by QAI.

**Gelatinization is a completely vegetarian process that removes starch from Maca to yield a more concentrated product. Gelatinization does not refer to "gelatin", and no animal derived ingredients are incorporated into this process.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

This product is sold by weight not volume.

Store in a cool, dry place after opening.

Please Recycle.
