

Many recent scientific studies have shown the effectiveness of taking supplements with the proper combination of Glucosamine HCl and Chondroitin Sulfate.* These compounds found in the soft cartilage, tendons and synovial fluid, are essential to the healthy functioning of tendons and joints, especially with advancing age.* Glucosamine & Chondroitin Complex Triple Strength + Vitamin D₃ combines these two nutritional elements in the proper amounts for your effective use.* Plus the added Vitamin D₃ supports bone strength and your immune system.*

Directions: As a dietary supplement, take up to two (2) tablets daily after meals or as directed by your healthcare provider. Do not exceed recommended dosage. Individual results may vary.

WARNING: IF YOU ARE DIABETIC, CONSULT YOUR PHYSICIAN BEFORE USING THIS PRODUCT. If you have a Shellfish allergy please consult your physician before using this product.
