Ionic Potassium 99mg

A unique blend maximizing
absorption, safety and flexibility*

liqui^{mins}™

DIETARY SUPPLEMENT
NET 2 FL OZ (59 mL)

Supplement Facts

Serving Size 1.75 mL (1/3 tsp; 1 3/4 full droppers)
Servings Per Container 33

Amount Per Serving		%DV
Magnesium (ConcenTrace®)	30 mg	8%
Chloride (ConcenTrace®)	300 mg	9%
Sodium (Sea Minerals)	85 mg	4%
Potassium (Potassium Chloride)	99 mg	3%
Sulfate (ConcenTrace®)	30 mg	†

† Daily Value (DV) not established.

Ingredients: Sea Minerals, ConcenTrace®, purified water, potassium chloride, citric acid. **CERTIFIED VEGAN.** Also contains 72 naturally occurring ionic trace minerals from the Great Salt Lake.

Allergen Info: contains no known allergens. **GLUTEN FREE.**

Suggested Use: Shake well. Using the metered dropper, take 1.75 mL daily with juice or food to mask the concentrated mineral flavor. Do not refrigerate. Keep out of reach of children.

Ionic Potassium is a natural source of concentrated liquid potassium in ionic form. Potassium is an essential mineral for basic life function and is found in every cell of the body. It's essential for proper nerve conduction, muscle function, fluid balance, and helps maintain healthy heart and brain function.*

Many Americans are deficient in potassium because they eat a poor diet void of raw foods or deplete the body's reserves through physical activity. Therefore, it can be helpful to supplement the diet with potassium to maintain healthy levels in the body.*

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
