This product contains over 72 naturally occurring ionic trace minerals in varying trace amounts as found in seawater, including those listed above as well as the following: Calcium, Silicon, Selenium, Phosphorus, Iodine, Chromium, Manganese, Iron, Copper, Molybdenum, Zinc, Vanadium. For additional information, including a complete list of trace minerals contained in this product, please visit www.traceminerals.com. **CERTIFIED VEGAN.**

IONIC TONIC is a naturally flavored ionic trace mineral concentrate made with ConcenTrace® that helps to maintain optimum energy, vitality, and overall health.† Sourced from the naturally balanced waters of Utah's Great Salt Lake, ConcenTrace® is a concentrated complex of naturally occurring, full spectrum minerals that are in the same mineral form as those found in raw, living foods.† No other product offers the breadth and depth of charged minerals and trace minerals like **IONIC TONIC**.† Excellent for use as an electrolyte replacement product.

Suggested Use: **SHAKE WELL.** Take 1 capful (2 tbsp.) daily in a glass of juice or water or take straight followed by juice or water. For smaller or larger individuals, adjust serving size accordingly. If you are not accustomed to using a concentrated mineral supplement, start with half the suggested serving size per day and increase gradually over a period of at least 7 days. Always drink plenty of fluids when taking this product. Rinse capful after use. **REFRIGERATE AFTER OPENING.**

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
