r-M5Y13

Liquid Coral Calcium Extra is a dietary supplement that provides a liquid form of coral calcium from **1,000 mg** of pure, ecologically safe coral calcium from Okinawa, Japan combined with over 72 ionic trace minerals from ConcenTrace®. This combination provides one of the best pH balanced coral calcium liquid formulas available with a great tasting natural orange-vanilla flavor.† In addition, we added vitamin D3, zinc, magnesium, selenium and boron to make it one of the most complete formulas available.

Suggested Use: **SHAKE WELL.** Take 2 tablespoons straight or dilute in water or juice. Please take with meals or on a full stomach. **REFRIGERATE AFTER OPENING.**

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
