Glucosamine/MSM with ConcenTrace® is a dietary supplement that provides nutritional support for healthy joints and connective tissue.† Glucosamine sulfate supplies cartilage with the vital building blocks it needs to stay supple and healthy.† MSM is a natural sulfur compound the body critically needs to maintain proper joint health.† Combined with ConcenTrace® for improved absorption, this formula provides your body with the materials it needs to support joint health.† Also contains over 72 naturally occurring ionic trace minerals from ConcenTrace®.

Suggested Use: Shake well. Take 1 to 2 tablespoons daily (one capful = 2 tablespoons) alone or mixed into water or your favorite beverage. **Refrigerate after opening.**

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
