**WARNING: KEEP OUT OF REACH OF CHILDREN.** For use by Healthy Individuals only. **NOT FOR USE BY THOSE UNDER THE AGE OF 18. DO NOT USE IF YOU ARE PREGNANT OR NURSING.** Do not exceed recommended dose. Before consuming seek advice from a health care professional if you are unaware of your current health condition. Consult your physician prior to use if you are taking OTC, prescription medication (including but not limited to MOA inhibitors), or other dietary supplements. Consult your physician prior to use if you have, or have a family history of, prostate cancer, prostate enlargement, heart, liver, kidney, or thyroid disease, difficulty urinating, diabetes, high or low blood pressure, or low "good" cholesterol (HDL). Exceeding recommended serving may cause serious adverse health effects. Possible side effects include acne, hair loss, hair growth on the face (in women), aggressiveness, irritability, and increased levels of estrogen. Discontinue use and call a physician or licensed qualified health care professional immediately if you experience rapid heartbeat, dizziness, blurred vision, or other symptoms. Discontinue use two weeks prior to surgery. Do not use in conjunction with alcoholic beverages, when driving a vehicle, or while operating machinery. Do not use if tamper resistant seals are broken. **STORE IN A COOL, DRY PLACE. AVOID EXCESSIVE HEAT.**

**NIGHT-TIME ANABOLIC CATALYST\***

Due to the unique restrictions of amateur and professional sports organizations (e.g. WADA, NCAA, NFL, MLB, NBA, UFL, etc.), it is recommended that you consult with the appropriate governing body before taking this or any other dietary supplement product. This product contains DHEA (Dehydroepiandrosterone), which is banned by some sports organizations. **To report an adverse event, call: 1-800-332-1088.**

**SUGGESTED USES:**

**METHYL ANDRO™:** Take 3 capsules daily. **On workout days** take 3 capsules 30 minutes before your workout. **On non-workout days** take 1 capsule 30 minutes before each meal. METHYL ANDRO™ should not be used for more than 8 weeks without discontinuing use for 4 weeks between cycles. To be used as part of a physical conditioning program.

**Z-TEST™:** Take 3 capsules before bedtime on an empty stomach. Do not consume milk or dairy products 30 minutes before or after taking Z-TEST™ (blocks bioavailability). **As a PCT (Post-Cycle Therapy):** Use alone for 4 weeks. To be used as part of a physical conditioning program.

**BUILD-AND-CUT:**

**8-Week Program:** Use FLEX Stack® HARDCORE for 4 weeks, followed by the original FLEX Stack® (N-TEST 600® and Z-TEST™) for 4 weeks.

**Advantage:** Mass up and cut down to your ultimate hardcore physique.\* METHYL ANDRO™ releases the D Methyl agent facilitating an increase in testosterone for significant muscle growth.\* N-TEST 600® then allows for the natural release of free testosterone, supporting lean muscle definition.\*

**CUT-AND-BUILD:**

**8-Week Program:** Use the original FLEX Stack® (N-TEST® and Z-TEST™) for 4 weeks, followed by FLEX Stack® HARDCORE for 4 weeks.

**Advantage:** Shred down first and use N-TEST 600® to allow for a natural release of free testosterone that can be used to support lean muscle definition.\* Then pack on high quality lean muscle mass with METHYL ANDRO™. This approach allows for a leaner, more refined muscular physique.\*

**HARDCORE MASS:**

**8-Week Program:** Use FLEX Stack® HARDCORE for 8 weeks.

**Advantage:** Using FLEX Stack® HARDCORE for 8 consecutive weeks facilitates serious mass building results.\* This aggressive fast-acting, hard-hitting testosterone stack option offers the edge to take your results to an unparalleled elite level.

Limit use of FLEX Stack® HARDCORE to no more than an 8-week cycle. After running any program for 8 weeks, use Z-TEST™ as an essential post-cycle means to replenish and restore your endocrine system back to its natural homeostasis.\*

**Do not exceed recommended dose on any testosterone program!**

## 24-HOUR HARDCORE ANABOLIC ACTIVATOR\*

DIETARY SUPPLEMENT

**4-IN-1 TEST STACK****ANDRO TEST BLEND**

METHYL ANDRO's FenuPRO™ is a specialized blend yielding a minimum of 50% Saponins, Furastanolic Saponins and Protodioscin.

**50x MORE POTENCY**

METHYL ANDRO's N-Methyl DL Aspartic Acid offers 50 times the potency of D Aspartic Acid.

**ESTROGEN AND PROLACTIN SUPPRESSION**

The suppression of estrogen and prolactin helps maximize your body's ability to utilize testosterone, resulting in greater definition and muscle hardness.\*

**24-HOURS OF SUPPORT**

Targeting and stimulating key cellular androgen receptors at different times during the day helps keep your body actively responding and adapting. Coupling METHYL ANDRO™ with Z-TEST™ supports a 24-hour anabolic state for increased results.\*
