

Why is **Qunol** the better CoQ10?

Process	Source	Absorption	USP Test	H ₂ O Solubility	Fat Solubility
100% natural CoQ10	made through fermentation	superior absorption	dissolution test: PASS	100% water soluble	100% fat soluble
may contain synthetic CoQ10	may be derived from tobacco leaves	poor absorption	dissolution test: FAIL	does not dissolve in water	dissolves poorly in fat

*Regular CoQ10 refers to unsolubilized Ubiquinone in oil suspensions in softgels and/or powder-filled capsules/tablets.

Directions: Adults: take two (2) teaspoons (5 ml each) before, with or after a meal, or as recommended by your healthcare professional.

SHAKE WELL BEFORE USE.

Keep bottle tightly closed. Store between 15°-30°C (59°-86°F) and away from sunlight. Do not freeze.

Other Ingredients: purified water, medium chain triglycerides, soy lecithin, polysorbate 60, natural and artificial flavors, potassium sorbate (preservative), citric acid, sucralose, ethyl vanillin and alpha tocopherol. Non GMO.
