No Sodium.

Guaranteed Purity
Molecularly Distilled to remove impurities such as pesticides (PCBs, PCDFs, PCDDs, Dioxin) and heavy metals (mercury, lead)

PROD. NO. 4461

Omega-3 fatty acids are considered one of the "good" fats important for cellular, cardiovascular and metabolic health.* But getting an adequate amount of fatty acids to support cardio health is not easy - especially in today's fast food world.* Salmon Oil - sourced from Wild Salmon - contains eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help support and maintain the health of your cardiovascular system.*

Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease. See nutrition information for total fat and cholesterol content.

Our Salmon Oil contains 2,000 mg per serving of the finest Salmon Oil available.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

DIRECTIONS: For adults, take two (2) softgels two times daily, preferably with a meal.

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store in a cool, dry place. Do not use if seal under cap is broken or missing.
