Contains wheat and soy ingredients.

Directions: For adults, mix one (1) scoop (9 g) with 8 ounces of juice or water daily.

More Than A Greens™ provides a 4,914 ORAC (Oxygen Radical Absorbance Capacity) Value per serving, to help fight free radicals in the body which can lead to the premature aging of metabolic cells.* ORAC is a USDA recognized standard that measures the antioxidant activity of whole foods and nutrient compounds - the higher the ORAC value, the stronger the antioxidant capacity, which may effectively neutralize free radicals. Even with a healthy diet, supplementing with additional antioxidants everyday can help support overall health and wellness.*
