

Perfect Food® Raw Energizer is power-packed with naturally occurring chlorophyll, beta carotene, B vitamins, minerals, protein and amino acids from RAW Organic USA grown grass juices, dark green juices like spinach, parsley and kale, protein-rich sprouts, and juiced-up super antioxidant fruits like RAW Organic blueberries, strawberries, raspberries, and Indian Amla Berries.

Amazing Organic Energy Activators:

- Guayaki® Yerba Mate, traditionally used for centuries to promote immediate energy and long term focus!
- RAW Organic Peruvian Maca, harvested by hand, aged and sun dried to perfection, to support energy production as well as healthy, balanced hormones!
- RAW Organic Pomegranate Juice and Cordyceps Mushrooms, long prized for providing the sustained energy you need to power through your busy day!
- RAW Organic African Baobab, rich in minerals, especially magnesium, to promote the production of ATP—energy on the cellular level!

Perfect Food® RAW Puts the GREEN in Greens—with More Chlorophyll Per Serving

Our CERTIFIED ORGANIC Greens are sustainably grown by our family farmers here in the USA. We harvest before the grain buds (to prevent gluten from forming) and then juice at the farm immediately after harvest. Our juice is gently low temperature dried and powdered onsite locking in its nutritionally dense, organic goodness. The end result is highly bioavailable and many times more concentrated in nutrients, including Chlorophyll, than whole leaf grass powders, putting the GREEN IN YOUR GREENS!*
