

Maintain your daily digestive health and optimal intestinal balance with milk-free Chewable Acidophilus.* Acidophilus helps to stimulate the growth of beneficial bacteria in the digestive and intestinal tracts, encourages proper nutrient absorption and promotes immune health.* Acidophilus is the ideal way to enhance our positive flora.*

Our 100% delicious natural banana flavored chewable acidophilus is ideal for those who are lactose-intolerant. Each wafer contains a mix of two classic lactobacilli - acidophilus and bifidum - and is guaranteed to deliver 1 billion microorganisms.◊ In addition, our Chewable Acidophilus wafers are an easy, convenient and great tasting way to receive digestive health benefits.* With Acidophilus and Bifidum, you can support your digestive health and feel good all day, everyday.*
