

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 2 times daily, preferably with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Ginkgo Biloba is grown and extracted under the highest quality standards and is standardized to min. 24% Ginkgoflavonglycosides and min. 6% Terpene Lactones, including Ginkgolide B, Ginkgolides A, C and Bilobalide. Ginkgo helps to promote optimal circulation and healthy cognitive function, while being a recognized free-radical scavenger.* This award winning formula includes Eleuthero (*Eleutherococcus senticosus*) and Gotu Kola (*Centella asiatica*).

CAUTIONS/INTERACTIONS: Do not use if you are pregnant or nursing. At high doses, this product may affect blood pressure and bleeding time, or may cause mild, but transient GI upset, headache, tinnitus, or dizziness. Ginkgo may interact with anticoagulants and antiplatelet medications, anticonvulsants, and antidepressants. If you are taking any prescribed medications, planning to have surgery, or if you have liver disease or a coagulation disorder, consult your healthcare practitioner before taking this product.
