

ENHANCED SERIES

Solgar's ABC Dophilus Powder is free of sugar, salt, starch, wheat, soy, gluten and dairy products and is formulated without the use of artificial preservatives, flavors or colors.

Solgar's ABC Dophilus Powder mixes instantly with infant formula, milk, juice or water, or can be sprinkled on foods.

If you are pregnant, nursing, taking any medication or have a medical condition, please consult your health-care practitioner before taking any dietary supplement.

Keep out of reach of children.

To assure freshness and potency, **REFRIGERATE AFTER OPENING.**

** Percent Daily Values (DV) are based on a 2,000 calorie diet.

*** Daily Value (DV) not established.

Other Ingredients: Maltodextrin, Silica.
CONTAINS NO MAJOR ALLERGENS.

SUGGESTED USE: As a dietary supplement for infants and children, take one half (1/2) teaspoon (1.5 g) daily, or as directed by a healthcare practitioner.

Solgar's ABC Dophilus Powder is a selective, scientific blend of essential and beneficial "friendly bacteria" specially formulated for the infant and child. Bifidobacteria (*B. bifidum* & *B. infantis*) constitute the predominant healthy intestinal microflora in infants, children and adults and primarily reside in the large intestine. Recently, other strains such as *S. thermophilus*, together with Bifidobacteria, have demonstrated positive effects on the health and maintenance of intestinal ecology.*

This product is sold by weight, not by volume - therefore, settling will occur.
