

Antioxidants play a major role in helping to protect the body from destructive, cell damaging free radicals. Environmental pollution may also play a role in producing harmful free radicals. This formulation provides a full and broad spectrum of ingredients that promote antioxidant activity and provide antioxidant protection to the cells of the body.*

If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement. Keep out of reach of children. Store in a cool, dry place. Do not use if outer bottle seal is missing, torn or damaged in any way.
