

Maintain your daily digestive health and optimal intestinal balance with great-tasting Chewable Acidophilus.* Acidophilus supports the growth of beneficial bacteria in the intestinal tract, helps with proper nutrient absorption, assists in the body's natural digestive process and contributes to healthy immune function.* Acidophilus is the ideal way to help balance our positive flora.*

Our 100% natural blueberry flavored chewable acidophilus is ideal for both adults and children. Each wafer contains a mix of two classic lactobacilli - acidophilus and bifidum - and is guaranteed to deliver 1 billion microorganisms. In addition, our Chewable Acidophilus wafers are an easy, convenient and delicious way to receive digestive health benefits.* With Acidophilus and Bifidum, you can support your digestive health and feel good all day, everyday.*

ⓁGuaranteed Per Serving, at time of manufacture
ⓁⓁProbiotic cultures are grown in a milk based medium. Milk proteins are later removed and are undetectable in the on-shelf product at 2.5 parts per million.
