

Maintain your daily digestive health and optimal intestinal balance with liquid milk-based Probiotic Acidophilus.\* Acidophilus helps to stimulate the growth of beneficial bacteria in the digestive and intestinal tracts, encourages proper nutrient absorption and promotes overall immune health.\* Acidophilus is an ideal way to naturally enhance our positive flora.\*

American Health® liquid probiotics are formulated with a high microorganism concentration level per serving and are easy to ingest. Each serving delivers 20 billion hardy cultures<sup>^</sup> of three specially selected strains of Lactobacillus including L. acidophilus, L. bulgaricus (the original Metchnikoff strain) and a strain from the Pasteur Institute, in a yogurt-like base of predigested milk solids. With liquid probiotic acidophilus, you can support your digestive health and feel good all day... every day.\*

**WARNING:** If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of reach of children. Store unopened container at room temperature, in a dark place. Do not use if outer seal is broken or missing.
