

Zinc promotes healthy skin, hair and nails, supports normal taste and vision, and promotes the synthesis of collagen in bone tissue. It also supports cell growth and DNA formation. It exerts antioxidant activity and can support a healthy immune system. This formulation offers two quality forms of zinc in a great-tasting lozenge delivery form.*

Carefully Manufactured by:
Solgar, Inc.

SUGGESTED USE: As a dietary
supplement for adults, take one
(1) lozenge daily, or as directed by
a healthcare practitioner. Lozenge
should be allowed to dissolve in the
mouth.

If you are pregnant, nursing, taking any
medication or have a medical condition, please
consult your healthcare practitioner before taking
any dietary supplement. Keep out of reach of
children. Store in a cool, dry place. Do not use
if outer bottle seal is missing, torn or damaged
in any way.
