

Beta-carotene is referred to as Pro-Vitamin A because it is converted into Vitamin A as the body requires it. This phytonutrient is a potent antioxidant.* Additionally, it is essential for healthy vision and skin and maintenance of a healthy immune system.* This formulation is offered in an oil-free (dry) form for those who may have difficulty digesting oil-based supplements.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
