

Natural Vitamin E is an essential nutrient and is the body's primary, fat-soluble antioxidant. It helps fight cell-damaging free radicals that cause oxidative stress in the body, which may contribute to the premature aging of cells. This formulation provides natural Vitamin E (as d-Alpha Tocopherol plus d-Beta, d-Delta and d-Gamma Tocopherols). It is offered in oil-based softgels to promote optimal absorption and assimilation.*

Carefully Manufactured for:
Solgar, Inc., 500 Willow Tree Road
Leonia, NJ 07605 U.S.A.
