

Botanicals/Herbs

Family owned since 1968.

Suggested Usage: Take 1 capsule 1 to 2 times daily, 30 minutes before meals. For best results, do not take with milk products.

NOW® Green Coffee Diet Support features a Green Coffee Bean Extract (GCBE) with naturally occurring Chlorogenic Acids. Scientific studies suggest that Chlorogenic Acids and other GCBE constituents may help to promote normal glucose management and to support pancreatic health.* In addition, research indicates that GCBE can help to support healthy blood flow and vascular function.* Chlorogenic Acids are also known to be powerful free radical scavengers.*
